

CONSTRUCTION ALERT

Date: January 10, 2019

What: Installation of Two Holly Oak Trees

When: 01/14/19 through 01/18/19

Where: Santa Ana College – Tree Wells North East Corner near the Intersection of Bristol and 17th Streets

Work Hours: 7:00 AM – 5:00 PM

Activities:

Two Holly Oak trees will be planted in the existing tree wells near the north east corner of the campus near the intersection of Bristol and 17th streets. On January 14th – 17th, the existing tree wells will be excavated and prepared for the new trees. One tree well will be worked on at a time to install the new trees.

Pedestrians will still have access in this location from January 14th – 17th.

Pedestrian access will be closed off and vehicles will be prohibited from driving through this location for four hours from 7:00 AM until 11:00 AM on Friday, January 18, 2019 (see attached map).

If you have any concerns or questions, please contact Gustavo Ibarra at (714) 480-7514 (office), (626) 476-1768 (cell), or via email at cumming3@rsccd.edu.
