

Resolution: S17-01

Proposed: February 28, 2017

Approved Date: February 28, 2017

Subject: **Resolution in Support of SAC Participation in the California Guided Pathways Project**

Moved: Senator Brian Sos

Seconded: Senator Irene Soriano

Whereas, a guided pathway model can assist colleges in clarifying and easing paths to student end goals and support students as they progress toward achievement of those goals;

Whereas, faculty are at the core of ensuring student support, instruction, and completion in partnership with colleagues in other areas of our college;

Whereas, Santa Ana College's participation in the California Guided Pathways Project will provide guidance and support to faculty and their colleagues in the development and implementation of institution-wide educational pathways;

Resolved, That the Academic Senate of Santa Ana College support the college's application to participate in the California Guided Pathways Project.
