## I. Call to Order

- **A.** President Jones called the meeting to order at 1:32 pm.
- **B.** Introduction
- **II.** <u>Agenda Accepted</u> A motion to approve the agenda made by Jodi Coffman and seconded by Susan Garnett was unanimously approved.

#### III. Public Comments —

- **A.** Thank you from CEC to the Faculty Priorities Committee for the high rankings of the CEC positions.
- **B.** A concern was expressed regarding procedures for faculty response to a perceived threat. It was suggested that Lieutenant Colver could be invited to make a presentation to the senate on that and related subjects.
- **IV.** <u>Approval of the Minutes</u>— Motion to approve the senate minutes of September 22, 2015 was made by Kristen Guzman and seconded by Andrew Gonis. The motion was unanimously approved.

### V. Topics

- **A.** Student Services—Dr. Sara Lundquist presented the California Community Colleges Chancellor's Office Board of Governors (BOG) Fee Waiver Changes in the context of the 2012 Student Success Act. Satisfactory academic progress must be maintained for BOGW eligibility, and fall 2016 is when students would first experience the loss of the BOGW. Students who lose their waiver can appeal or sit out an entire academic year.
  - Dr. Lundquist also reviewed current practice of requesting approval from the senate president when time sensitive, permanent categorical funds are used to hire a faculty position that did not go through the faculty priorities committee. The current hiring of an EOPS Counselor was cited as an example. Dr. Lundquist reaffirmed that when there is any possibility that such a position would eventually be supported out of general funds, that position would need to go through the faculty priorities process.
- **B.** Saudi Arabia—President Jones reported on issues the senate had discussed in its September 8<sup>th</sup> meeting. The report included the relationship between the District Foundation and joint venture created for the Saudi contract, as well as the mission of the District Foundation as compared to the SAC Foundation. It also touched on the role of the International Consortium for Educational and Economic Development (ICEED), separate from the Saudi contract. He reported that both senate presidents will now be nonvoting members of the District Foundation Board. Following discussion of his report, the feeling of the senate was that no further action was warranted.
- C. TracDat—Jarek Janio presented the guiding principles of Student Learning Outcomes (SLOs) and stressed that TracDat is not going to tell faculty what to do, but rather it is a tool to assist faculty to discuss within their departments to decide what to do with the information gathered. Brian Sos also presented a schematic which the Kinesiology Division uses to distinguish knowledge, skills and attitudes (objectives) from SLOs.
