01

Welcome to Santa Ana College

In 1915, Santa Ana Junior College opened its doors to 26 students as a department of Santa Ana High School. It was the second junior college founded in Orange County, behind Fullerton College, and the fourth oldest in all of California.

Ranked as one of the nation's top two-year colleges awarding associate degrees to Latino and Asian students, Santa Ana College is recognized throughout the state for its comprehensive workforce training programs for nurses, firefighters, law enforcement and other medical personnel.

The college has evolved into one of the most energetic and fastest-growing comprehensive community colleges in the nation, currently serving 29,318 credit and non-credit students per semester. Santa Ana College will turn 100 years old in 2015.

We are pleased that you are visiting our campus. The tour you are about to experience will lead you around the campus. We encourage you to start your tour in front of the S Bldg (Administration) and proceed in a circular, clockwise direction. Please refer to the map (located at the back of this tour guide) and follow the suggested pathway on the map. The buildings described in this guide follow the suggested route. Enjoy your self-guided tour!

Mission Statement:

The mission of Santa Ana College is to be a leader and partner in meeting the intellectual, cultural, technological, and workforce development needs of our diverse community. Santa Ana College provides access and equity in a dynamic learning environment that prepares students for transfer, careers and lifelong intellectual pursuits in a global community.

Visit www.sac.edu

for additional information on all programs and service

This guide was completed in August 2014 and reflects the layout of the campus at that time. Santa Ana College, however, is undergoing renovation and as developments finalize this self-guided tour guide will be modified accordingly.

Developed by SAC Outreach and the CSUF/Intern Program © 2014

02

S Building:

Administration • Admissions • Counseling

In this building you will find the Office of the President. There are also different types of services such as:

- Admissions & Records
- Counseling
- Transfer Center
- Foundation & Scholarships
- Student Outreach
- Gear Up
- Cashier's Office
- Padres Promotores
- Facilities
- Student Ambassadors
- Community Services
- Administrative Services
- Center for Teacher Education
- MESA Program
- STEM Program
- Graduation Office

A Building:

Cesar Chavez

Dedicated in honor of Cesar Chavez, the A Bldg was built in 1996 to honor the political activist who fought for the rights and dignity of farm workers. In this building you will find the Business Division Office. The departments located in this building are:

- Accounting & Business Administration
- Business Applications & Technology
- Computer Science
- Engineering
- Global Business & Entrepreneurship
- Paralegal

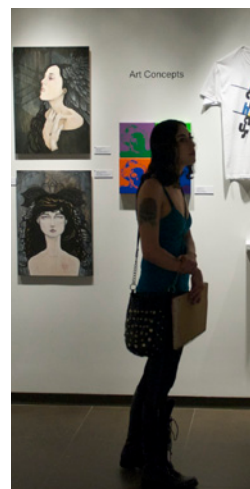

All Business Division Departments offer concentrated Certificates that can be used to demonstrate your competence in your selected field of Business.

Also in this building, you will find the Fine and Performing Arts Division Office. This department is responsible for the following:

- Communication Studies
- Media Studies
- Music
- TV Video
- Theatre
- 3-D Modeling & Animation
- Dance

Additionally, you will find the Distance Education Office, Fire Technology Department, Computer Lab, and the Engineering Lab (2nd floor). Come inside the southeast entrance and visit the Cesar Chavez mural and art exhibit.

C Building:

Fine Arts • Art Gallery

Built in the 1970's, the C Bldg is for students who are interested in the Arts.

In this building you will find:

- Art Gallery
- Showcase
- Murals
- Ceramic Art Studio
- Art Studio
- Painting Studio
- Drawing Studio
- Communication Classes
- Music Appreciation Classes

N Building:

Music

Santa Ana College offers music training for experienced musicians and beginners. Practice rooms and music labs are provided at least 52 hours a week, Monday through Friday. Beginning music students have a choice of various keyboard, voice, and instrumental classes. A student majoring in music can study classical, jazz, and contemporary pop playing styles. We also encourage non-majors to take our theory, musicianship, and electronic music classes.

Santa Ana College features many vocal and instrumental ensembles, including Concert Chorale, Chamber Singers, Jazz Ensemble, Latin Jazz Band, Mariachi, Guitar Ensemble, Chamber Symphony, and Concert Band.

Santa Ana College offers music courses and training for beginning to experienced musicians. In this building you will find:

- Music Lab
- Practice Rooms
- Band Room
- Choir Room
- Audio Production Room
- Piano Lab

P Building:

Phillips Hall Theatre

Constructed in 1957 and designed for drama production, the Philips Hall Theatre is dedicated in honor of Ernest Crozier Phillips, the first Drama and Public Speaking instructor at Santa Ana College.

The Santa Ana College Theatre Department has been providing continuous theatrical training since 1915, when the college opened its doors, making the Theatre Department one of the most historic departments at Santa Ana College. The Phillips Hall Theatre also hosts SAC's Dance Department in concerts and recitals throughout the year. In this Building, you will find:

- Costume Lab
- Green Room
- Scenery Preparation
- Theatre Box Office
- Small Theatre
- Dressing Rooms

D Building:

Dunlap Hall

Dunlap Hall, one of the tallest of all structures at SAC, was constructed in 1974 in honor of John W. Dunlap who attended Santa Ana College, majored in journalism, and became editor of the school's El Don newspaper.

In this building you will find the Division of Humanities and Social Sciences. Under this division you will find the following departments:

- English
- English for Multilingual Students
- Anthropology
- Sociology
- Women's Studies
- Economics
- Geography
- Ethnic Studies
- Reading
- Psychology
- Philosophy
- Political Science
- History
- Modern Language
- French
- Spanish
- Vietnamese
- Chinese

Within the D building you can also find:

- Anthropology Lab
- Geography Lab
- Psychology Lab
- Writing Center
- ESL Listening Lab
- Modern Language Lab
- Reading Lab
- Speech Lab

L Building:

Nealley Library

The Nealley Library was built in 1957 in honor of Edward M. Nealley, who had a lifelong commitment to the pursuit of knowledge and a restless devotion to his students at Santa Ana College. Mr. Neally started his career at Santa Ana College in 1917.

The mission of Santa Ana College's Nealley Library (SAC) is to promote educational success, information competency and lifelong learning through the implementation of quality programs, services and equitable access to current and relevant sources. The Library offers:

- Periodicals
- Auditory & Visual Stations
- Children Books
- Laptop Checkout
- Copy Center
- Reference Books
- Computer Station
- Printing Station
- Atlas Case
- Quite Study Areas
- Group Study Areas
- Audio CD's
- Magazines

Located on the second floor of this building you will find the Math Center, Success Center, Biology Study Center, Testing Center, and Career Center.

Santa Ana College offers a degree in Library Technology. This degree is designed to successfully prepare students for employment as library technicians, library assistants, library media technicians and other library support staff positions in school, public, special or academic libraries. All community members are welcome to use the library.

J Building:

Auto Shop

The auto shop building offers automotive and welding technology. Certificates are offered within the courses to improve your professional standing.

V Building:

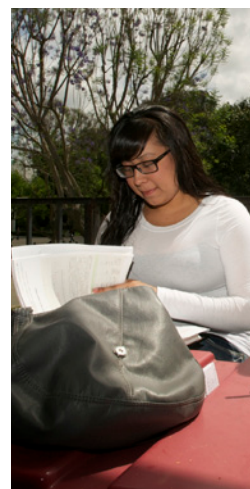

Child Development Center

The Early Childhood Development Center is the newest building of Santa Ana College located on the southeast side of the campus. The program serves infants (6 months to 2 years old), toddlers (2-3 years old), and preschoolers (3-5 years old). There is a full-day program Monday through Friday from 7:30 a.m. 6:00 p.m. and a part-day program from 8:00 to 11:00 a.m. or from 1:00 to 4:00 p.m. This center is a brand new, state-of-the-art facility built specifically to meet the needs of young children. All classrooms and beautiful playgrounds have been carefully designed to meet the optimal growth potential for each specific age group. The

center offers curriculum that is based on the foundation that children learn by doing. The curriculum covers:

- Language & Literacy
- Mathematical Thinking
- Scientific Thinking
- Social Studies
- Personal & Social Development
- Physical Development
- The Arts

U Building:

Johnson Center/Student Business Office/Bookstore/Cafeteria

The Johnson Center is one of the newest buildings, dedicated in 1981 in honor of John E. Johnson, who was the first chief executive officer of Santa Ana College to bear the title of President. Dr. Johnson started his career at Santa Ana College as Dean of Students. He later became Dean of the College and served as President of Santa Ana College from 1957-1971. Dr. Johnson's mission was to make Santa Ana College the best community college in the nation.

The bookstore sells and rents used and new books at a low price to students. They also sell apparel, gifts, and different types of materials for courses. The Spot is the newly

renovated student lounge. Other services you can find in this building are:

- Financial Aid
- Cafeteria
- DSPS Office
- Student Services
 - Student Activities
 - Health Center
 - Psychological Services
 - Extended Opportunity Programs & Services
- Book Store
- Office of Student Life
- Student Employment Office
- Student Business Office
- The Spot (Student Lounge)
- Associated Student Government Office
 - International Students' office
 - Tutoring
 - Service Learning

B Building:

Middle College High School

The Middle College High School Building provides instruction for 9th grade through 12th grade students. At night there are computer, English and speech courses. While enrolled in high school, students are encouraged to take college level courses.

B33:

Centennial Education Center

The adult high diploma program prepares students to earn a high school diploma. The center also helps adult students to increase their reading, writing, grammar and math. Courses offered at the center are Mathematics, Language Arts, and Natural & Social Sciences. The center also provides GED test preparation.

I Building:

Classroom

Once you exit the Middle College High School (building B), straight ahead, you will see the I Building which provides state-of-the-art classrooms for the students of Santa Ana College.

F Building:

Locker Rooms

Lockers are provided for students who participate in sports or are enrolled in Exercise Science. There are offices for coaches and staff and student classrooms.

Womens' Teams:

Basketball

Cross Country

Soccer

Softball

Swimming

Track & Field

Volleyball

Water Polo

Mens' Teams:

Baseball

Basketball

Football

Soccer

Swimming

Water Polo

Wrestling

G Building:

Cook Gymnasium

Cook Gymnasium is a 22,000 square-foot Exercise Science Complex. Inside this building you will find:

- Strength Training Lab
- Dance Studio
- Hydrotherapy Area
- Athletic Training Room
- Basketball Court
- Volleyball

E Building:

Fitness Center

Santa Ana College offers a variety of classes to stay healthy like circuit training, kickboxing, yoga, and dance. There is also a Fitness Center with state-of-the-art exercise equipment.

W Building:

Kinesiology

Located in this building you will find the Division of Kinesiology. The division provides opportunities for health and fitness classes, Intercollegiate Athletics, and professional preparation for degrees and certificates in Kinesiology related fields. Curriculum content includes; sport and fitness skills, nutrition, health awareness, sports medicine, exercise leadership, and exercise physiology. Pathways offered are:

- Kinesiology: Associate of Arts Degree
- Kinesiology: Fitness Specialist Certificate
- Kinesiology: Coaching Certificate
- Kinesiology: Sports Medicine Certificate

You can also find a fitness studio, small gym, and the department of Wrestling in this building.

H Building:

Hammond Hall

Dana Hammond was instrumental in the founding of Santa Ana College in 1915 and retired after serving Santa Ana College as director, dean, and president of the school.

Located in this building, you will find the Pharmacy Technology Training Program where there is a classroom and lab dedicated to students who are interested in becoming Pharmacy Technicians. Additionally, the department of Mathematics is located in this building. On the second floor are the Fire Officer Training class locations. Also on the second floor you can find the Talent Extension in Science and Technology: an Urban Partnership (TEST: UP) Home.

T Building:

Technical Arts

Located in this building you will find the department of Family Consumer Studies which emphasizes fashion design and merchandising, and nutrition and foods. Also located in this building are the homes of Manufacturing Technology and the Fashion Design Lab.

R Building:

Russell Hall

Herbert O. Russell started his career at Santa Ana College in 1924 as Physics scientist, Chairman of the Engineering and Mechanics Division, Coordinator of Defense Courses and Civilian Pilot Training Program, Advisor to the Sophomore class, and College Director.

In this building there are two division offices:

- Division of Human Services & Technology
- Division of Science, Mathematics & Health Sciences

Departments located in this building are:

- Biology
- Chemistry
- Criminal Justice
- Health Sciences/Nursing
- Medical Assisting
- Occupational Therapy Assistant
- Physical Science
- Microbiology

Centers located in this building are:

- Biology Study Center
- Veterans Resource Center
- Physical Science Study Center
- Health Sciences Skills Lab
- Student Support Services
- Veterans Upward Bound

X Building:

Safety & Security

The mission of the District Safety Department of the Rancho Santiago Community College District is to serve and protect the people and property at all district locations to ensure a safe and secure educational environment that encourages personal and intellectual growth.

The Campus Safety Department is in operation 24 hours a day/7 days a week. Its primary responsibility is to provide for the security and safety of students, staff, and public on district premises as well as provide for the security of district property.

The District Safety and Security Department is located in the X building. The telephone number is (714) 564-6330 (or 333 from a campus phone). Anyone needing assistance may come to the office Monday - Thursday (7:30 a.m.-10 p.m.) and Friday (7:30 a.m.-4:00 p.m.) or use an emergency call-box, located throughout the campus. After hours the Patrol Officers can be reached by calling the office phone or by using one of the yellow emergency call-boxes.

M Building:

Planetarium

In 1967, the Tessmann Planetarium was appropriately named in the honor of Mrs. Jennie Lasby Tessmann, a world-renown astronomer and a dedicated member of the Santa Ana College faculty. The Tessmann Planetarium is currently undergoing renovation and scheduled to reopen in Spring 2015.

In this building you will find the Tessmann Planetarium Dome and Theatre. The campus offers six interactive astronomy shows and discovers the wonders of the universe. All shows contain information about the latest discoveries in astronomy and science. You need to make a reservation in order to view the shows. Also located in this building is the Speech Center.

Off-Campus Facilities: Santa Ana College Affiliated

Digital Media Center (DMC)

1300 S. Bristol

Santa Ana, Ca 92704

(714) 241-5812

<http://www.dmc-works.com/>

In 2006, the Digital Media Center opened to assist the emerging digital media industry. The purpose of the DMC is to attract businesses within Orange County and provide educational programs in TV/video communication, digital media arts, digital music and business seminars. Every semester, the DMC offers courses within the digital media industry such as digital media arts to help students at Santa Ana College achieve an AA degree or certificate through Santa Ana College.

O.C. Sheriff's Regional Training Academy (CJTC)

15991 Armstrong Ave

Tustin, Ca 92782

(714) 566-2700

<http://ocsd.org/divisions/prof/training>

O.C. Sheriff's Regional Training Academy is located in Tustin and holds two sheriff's special officer academies and six basic academies each year. The facility houses an arrest and control techniques training area, a weight room, four classrooms, and other equipment for individuals in training. Training division staff and Santa Ana Criminal Justice training partners collaborate to ensure that the individuals in the academy receive the best training.

Joint Power Training Center Central Net (JPTC CN)

18301 Gothard St.

Huntington Beach, Ca 92648

(714) 536-5414

<http://www.cntraining.com/>

The Central Net Training Center helps train firefighters in the most sufficient and updated methods. The facility consists of a five story burn tower, auto extrication, drafting pit, and other equipment for individuals in training. Specialized training consists of EMT training, paramedic training, evaluated drills, and other types of classes.

Centennial Education Center (CEC)

2900 W. Edinger Ave,

Santa Ana, Ca 92704

(714) 241-5700

<http://www.sac.edu/continuingeducation/>

The Centennial Education Center is the main location for the School of Continuing Education. Its purpose is to provide programs for students such as English as a Second, Career Technical Education, and courses to complete the GED.
