The VA requires that the educational plan be complete according to the program requirements stated on the appropriate catalog.

General Education courses need not be specific on the Educational Plan, as long as you take courses that fall in those areas. However, listing specific course that you're likely to take, will help us certify your courses in a timely manner.

Courses not required must not be indicated on this ed plan. The VA does not allow payment courses that don't apply towards the declared goal.

Where to get the educational plan: Call the counseling offices for an appointment. An Academic Counselor makes these for you. SAC (714) 564-6100 SCC (714) 625-4800

Transferring to a college other than a CSU or UC? It may not be approved for payment. Check with the VRC on how to go about getting your transfer college approved.

Major undecided? That's ok! We will certify your general education courses, but we won't be able to certify electives until you declare a major and provide a new ed plan.

>>> This Ed plan only needs to be submitted once as long as you follow it. If you change goals/majors, you must provide a new ed plan accompanied by Form 22-1995 or 22-5495 for dependents. See the VRC for details.

OFFICIAL ACADEMIC TRANSCRIPTS from all previously attended colleges and/or universities must be brought to your appointment for proper account on what courses have already been completed and will be evaluated. It remains official if your counselor opens it. Have them forward it to Admissions for evaluation.
