## **OER & ZTC CLASSES**

#### FREE OR LOW-COST TEXTBOOKS AND COURSE MATERIALS ARE USED IN OER & ZTC CLASSES

- OER & ZTC classes use textbooks and learning materials that can be downloaded, edited and shared, for free or low-cost. Instructors will provide a link to your course material.
- Class materials print copies might be available for a minimal cost at the Don Bookstore. Contact the bookstore for more information.

Zero Textbook Cost (ZTC) courses eliminate conventional textbook costs by using alternative instructional materials and methodologies, including open educational resources.

Open Educational Resources (OER) uses materials that are in the public domain or openly licensed, that can be used for teaching, learning, and research.
