Seven broad areas for institutional Core Competencies have been established and linked to SLOs for literacy and learning work at the college through college-wide committees as well as individual departments. A.2. The following surveys have been undertaken in an effort to assess the extent to which academic & co-curricular programming is linked and the effectiveness of such efforts where they exist. <ul style="list-style-type: none"><li>• The CCCSSE</li><li>• Service Learning Program Evaluation</li><li>• FEP program assessment</li><li>• EOPS program assessment</li><li>• SSTI, i2T2, Research Scholars, U-LINK assessments</li></ul>

Part of the pilot has been completed in selected anthropology courses.</p> <p>A.4. Discussions have occurred about co-locating academic support programs on the second floor of the library on an incremental basis, building on the Math Study Center, the Success Center, and the Testing Center, which are already in place. 	<p>A.5 Strengthen partnerships with K-12 to offer literacy-enhancement programs accessible at local schools and community centers.</p> <p>A.6 Through Title V grant, hire a literacy coordinator to coordinate the learning centers for students.</p> <p>A.7 In monthly workshops, enhance faculty skills in a variety of strategies, which will improve students' skills (reading and learning).</p>	<p>A.5 Feedback via surveys of "takeaways" from the meetings A.5 Research percentage of successful course completions</p> <p>A.6 Applied for grant summer 2007</p> <p>A.7 Document meetings and surveys</p>	<p>Various departments (A.5: <i>Fall 2007 – Spring 2010</i>)</p> <p>A.6 VPAA; VPSS; Basic Skills/ Literacy Coordinator; Title V Coordinator (A.6: <i>Hire literacy coordinator – to be determined</i>)</p> <p>A.7 Faculty Development Coordinator (FDC); Basic Skills/ Literacy Coordinator; Associate Dean Information &amp; Learning Resources (ILR) (A.7: <i>2007-2008, on-going</i>)</p>	<p>campus construction activities and dialogue is continuing. A.5. The primary work in this area has centered on collaborative efforts between SAC and SAUSD to support secondary student success in the CAHSEE. A three-part program coordinated across credit and non-credit at SAC has been piloted and is slated for expansion in 2008-09.</p> <p>A.6. A Title V grant was not initially funded by the USDE; it is now funded with a starting date of October 2008. Planning work has been restarted, with an early focus on staffing including this position and an instructional designer.</p> <p>A.7. A robust set of professional development activities have been undertaken (or are planned) for the current year centered on literacy &amp; learning. # workshops and extended professional development seminars have been offered with # of faculty participants (complete list attached).</p>
<p><b>B. Eliminate economic barriers to student achievement</b></p>	<p>B.1 Create a brochure and employ other strategies to more widely communicate programs that would reduce students' economic hardships.</p> <p>B.2 Work with publishers to decrease cost of books and materials/ Explore alternative options to costly textbooks</p>	<p>B.1 Increased use and participation in programs by students</p> <p>B.2 Numbers of faculty and departments who participate</p>	<p>B.1 Financial Aid Director; EOPS; VPSS; Student Service Coordinators (B.1: <i>Spring 2008</i>)</p> <p>B.2 District Textbook Task Force</p>	<p>B.1. A college-wide strategic planning effort has begun at SAC with the purpose of increasing the visibility of FA available to students and cross-training staff throughout SAC to assist and refer students to hubs for financial support that include financial aid, scholarships, A&amp;R, counseling, EOPS, student life, and more. Implementation is planned for fall 2008.</p> <p>B.2. A RSCCD-wide Textbook Cost Reduction Task Force has been formed to explore options for reducing related costs to students. A</p>

	<p>B.3 Offer or increase grants for textbooks or one time emergencies cost, book and fee waivers</p> <p>B.4 Increase programs and resources to assist our students with their economic hardships (<i>including proposals to assist AB 540 students</i>)</p> <p>B.5 IDENTIFY (Access) available aid dollars for students and advertise the information</p> <p>B.6 Build stronger loan libraries on campus for student resources</p> <p>B.7 Increase books on</p>	<p>B.3 Number of students receiving textbooks, fee waivers, and financial aid/ number of requests</p> <p>B.4-7 Number of students who participate</p>	<p>B.3 VPSS; EOPS; Director of Financial Aid</p> <p>B.4 VPSS</p> <p>B.5 Director Financial Aid; SAC Foundation Director</p> <p>B.6-7 Outreach Program <i>(B.2-7: Spring 2008 and ongoing)</i></p>	<p>report has been issued to the college community and the group's leaders are active statewide.</p> <p>B.3. The SAC <i>Work for Your Book Program &amp; Buy a Book Society</i> have been expanded to benefit more students. BSI Innovation grants have been created to further underwrite textbook costs for students through loan and rental programs.</p> <p>B.4.</p> <ul style="list-style-type: none"> <li>• The financial assistance awareness effort described above was developed with great sensitivity to AB540 and other high need groups.</li> <li>• Scholarship funds dedicated to AB540 students have been increased.</li> <li>• A new Opportunity Scholarship Program is being launched by the Academic Senate and SACF to sponsor the tuition of needy students for the coming year.</li> <li>• 1 minute FA Outreach presentations were offered to all SAC classes this spring.</li> <li>• KnowHow2Go workshops were offered for parents and students at all SAUSD feeder high schools.</li> </ul> <p>B.5. This strategy is being addressed through the FA Awareness Initiative &amp; activities described above.</p> <p>B.6. Textbook loan activities are now underway in academic departments and in the outreach office as part of Innovation Grant activities at SAC.</p>

	reserve loan programs and library services			<p>B.7. Reserves include print (books, readings, exams); AV (videos, DVDs, CDs, Cassettes)  The “total” includes circulation of books (mostly required textbooks), readings, exams, as well as audiovisual materials --- all course-related and deemed by faculty to be important for student academic success.  If we compare stats from 2005 to 2008, it appears that there has been a n increase in reserve loan programs.  **In previous years, monthly reserve statistics for March, April, May and June have averaged 3,500 total circulations per month. If the 3,500 per month ballpark figure (this adds an additional 14,000 circs) is added to 27,608, we could estimate that for '07-'08 “approximately” <u>41,608</u> reserve items circulated.  ***Even if we lower the total monthly average figure to 3,000 (need to add 12,000 to the 27,608 instead of 14,000), we would still see an increase and could state that for '07-'08 “approximately” <u>39,608</u> reserve items were loaned , 3,000 more than the previous year.</p>
<p><b>C. Transfer/ Employment:</b>  Increase transfer, progress/course completion, and employment rates for all students</p>	<p>C.1 Continue developing fast track to the universities: University Day; Partnership with 4-year schools.</p>	<p>C.1 Number of students who transfer to 4-year institutions</p>	<p>C.1 VPAA; VPSS; Academic Senate (AS)</p>	<p>C.1. University transfer has increased substantially for all groups of students at SAC, but most of all for Latino students. Strong partnerships have been maintained with UC, CSU, and private/independent institutions. Innovative programming has continued to expand from i2T2 and the UC Breakfast Club to the</p>

	<p>C.2 Increase efforts in recruitment and retention of male Latino students.</p> <p>C.3 Enhance faculty and staff skills to better meet students' academic learning needs.</p>	<p>C.2 Track number of students contacted, number enrolled and number who drop out</p> <p>C. 3 Number of faculty and staff that participate in professional development workshops/ self-reporting surveys of faculty and staff participants</p>	<p>C.2 VPSS; Outreach Department; AS <i>(C.1-2: Fall 2007 and ongoing)</i></p> <p>C.3 FDC; Basic Skills/ Literacy Coordinator <i>(C.3: Spring 2008 and ongoing)</i></p>	<p>University Mentor Project and a new Guaranteed UCI admission program for future business professionals.</p> <p>C.2. In addition t the above programs, the institutionalization of One Stop Higher Education Centers has created a permanent full service college-going support center for our SAUSD high school students, 98% of whom are Latino, male &amp; female.</p> <p>C.3. Please see A.7. progress report above.</p>

A common understanding of what this means must be established.</p> <p>C.2 As the TLC is working on rubrics and assessment of SLOs within the PA/PR schedule, it will become more explicit how to infuse the assessment of SLOs into the department portfolios. As this is done, cross disciplinary dialogue will lead to infusion of cross-disciplinary goals into the SLOs.</p> <p>The Freshman Experience cohort addresses some cross-disciplinary issues implicitly by linking classes. More explicit work needs to be done through other venues.</p>
