2. Approval of the [minutes from Sept. 27](#) [action]
 - a. Moved by Lius
 - b. Seconded by Mark
 - c. Passed with everyone in the affirmative except for an abstention by Adam Morgan
3. Public comment
4. Approval of Revisions to the [Integrated Technology Plan](#) [action] (30 mins.)
 - a. Moved by Luis
 - b. Seconded by Ron
 - c. Approved unanimously
5. Reports [information]
 - a. ASG (5 mins.)
 - i. No report.
 - b. Academic Senate (5 mins.)
 - i. Concern about Digital Dons laptop availability. 8-week classes just started and there's a long waitlist.
 - c. Distance Ed. (5 mins.)

- i. Working on the ZTC Pathways grant support.
- ii. The State is paying for Pope Tech dashboard so the UDolt project has been canceled.
- iii. There's a "Quality Review" badge on the cvc.edu website. DE is looking at options to see if this can be put on Self-Service.
- iv. Looking for a temp. to fill Tammy's position.
- d. School of Continuing Ed. (5 mins.)
 - i. Non-credit OER courses aren't in Self-Service and would like to look into.
- e. Student Information Support (10 mins.)
 - i. Starfish
 - 1. A new feature that will allow better data extraction for reports has been released. The department will be evaluating and implementing that to support reporting aligned to Vision 2030.
 - 2. Will be going live with referral, kiosk, appointments and reporting for the International Student Program soon.
 - 3. Cohorts still to be built into the system include CTE, Rising Scholars and Student Parents.
 - 4. Tanisha Burris is the point person for student success with Starfish for credit. Yuri Betancourt is the person for noncredit.
 - ii. Nuventive
 - 1. The Program Review and Resource Allocation functions are live.
 - 2. Need additional faculty participation to finalize configuration for Outcomes Assessment functions.
 - 3. The Outcomes Assessment Coordinator position is still empty. The position is key to providing support and training.
 - 4. The Academic Affairs office will be hiring a classified staff member to maintain the system.
 - iii. Ocelot
 - 1. Live with A&R, Financial Aid, Counseling and the Health Center.
 - 2. The International Student Program will go live next.
 - iv. Regroup
 - 1. The vendor finally resolved the integration error that was preventing us from transitioning to Regroup 2.0.
 - 2. Transition to Regroup 2.0 has begun with the transition of Student Life and SCE.
 - 3. No end-of-life date for the current version of Regroup but will likely be soon, as the original date was April 30, 2023.
- f. Information Technology Services (10 mins.)
 - i. 150 laptops for Digital Dons are being imaged currently.
 - ii. Testing has been completed on the new Health Sciences building.
 - iii. Working on the technology replacement plan for the next year.
 - iv. Windows 10 end-of-life is Oct. 2025. ITS has begun planning the transition to Windows 11.
 - 1. Anyone who wants to pilot Windows 11 should send an email to Ron.
 - v. District Council has decided to put a temporary hold on supporting Macs.
