

Loss of Non-Credit Students Fall 2017 to Spring 2018

Persistence examined in the following table is the percentage of students completing at least 12 hours in one course during Fall 2017 who also has any attendance in Spring 2018 (as of 4/2/18). Green highlighted cells indicate at least 10% more students persisted for that category than the average, while red highlighted cells indicate at least 10% fewer students persisted.

Group Membership	Persisted		
	Yes	No	Count
Overall	53.0%	47.0%	12,897
