

CONSTRUCTION ALERT

Date: October 25, 2017

What: Remove Walkway and Tie-In Utilities South of Building W (Between W101 & E102)

When: 10/27/17 through 11/10/17

Where: Santa Ana College – South of Building W (Between W101 & E102)

Activities:

Please be advised that the walkway removal and utility tie-in south of Building W (between W101 & E102) will begin on Friday, October 27, 2017. Construction will take place for approximately two weeks until November 10, 2017.

Alternative Access to W101 & E102 will be as noted below:

- W101 – Pass through G & W Courtyard on the north side of Building W.
- E102 – Pass through Fitness Lab on the east side of Building E.

Emergency egress will be provided on the south side of Building W where construction will take place. Two doors for each of the rooms, W101 & E102 will be available for emergency egress, but the walkway outside these doors will be graded dirt and not metal plates or concrete.

Signage will be placed around the area to redirect students and staff to the alternative access routes.
