

## **CONSTRUCTION ALERT**

**Date:** December 11, 2017

**What:** Relocation of Fire Alarm Panel from Building J (former Quick Copy) to Building K (Welding)

**When:** 12/12/17 through 12/28/2018

**Where:** Santa Ana College –Science Center Project

### **Activities:**

On Tuesday, December 12, 2017, the fire alarm panels inside of J-Buildings scheduled for demolition will be disconnected for reinstallation inside of Building K (welding shop). This will require the fire alarm system for these buildings to be put on test mode and fire watch to occur until this work is completed.
