9/28/16	7:00 a.m. – 5:00 p.m.	Orange County Sheriff’s Regional Training Academy
9/29/16 -9/30/16	7:00 a.m. – 5:00 p.m.	Digital Media Center

As part of a planned energy management system replacement project, an HVAC conditions assessment will take place to determine the condition of equipment. The assessment will be done in accordance with locations and dates noted in the above table. The conditions assessment will require technicians to access roof-top HVAC equipment and interior HVAC equipment at multiple buildings. The assessment will not disrupt HVAC operations. The HVAC technicians will be escorted at certain buildings and unescorted at other buildings, depending on building access, and will work around the existing academic calendar to avoid disruptions. Please direct all questions related to this activity to the Facility Planning Department.
