

CONSTRUCTION ALERT

Date: September 6, 2016

What: Geotechnical Soil Samples/Investigation

When: 9/08/2016 and 9/09/2016

Where: Johnson Student Center - Santa Ana College

WORK HOURS: 7:00 A.M. – 5:00 P.M.

Activities:

On Thursday, September 8th, Terracon Geotechnical Services will be setting up equipment and taking boring samples of soil in three locations inside the existing Johnson building U. Locations are identified as J-3, J-4 and J-5 on attached map.

On Friday, September 9th, Terracon will be boring in two locations outside of Johnson building U. Locations are identified as J-6 and J-7 on the attached map.

Terracon Geotechnical Services will perform layout and location of existing utilities prior to the boring operation. Equipment will be isolated from pedestrian traffic.

Attachment:

Site map indicating boring locations.
