

CONSTRUCTION ALERT

Date: February 9, 2017

What: Central Plant Project – Construction Traffic & Pedestrian Map

When: Continuously

Where: Santa Ana College

Activities:

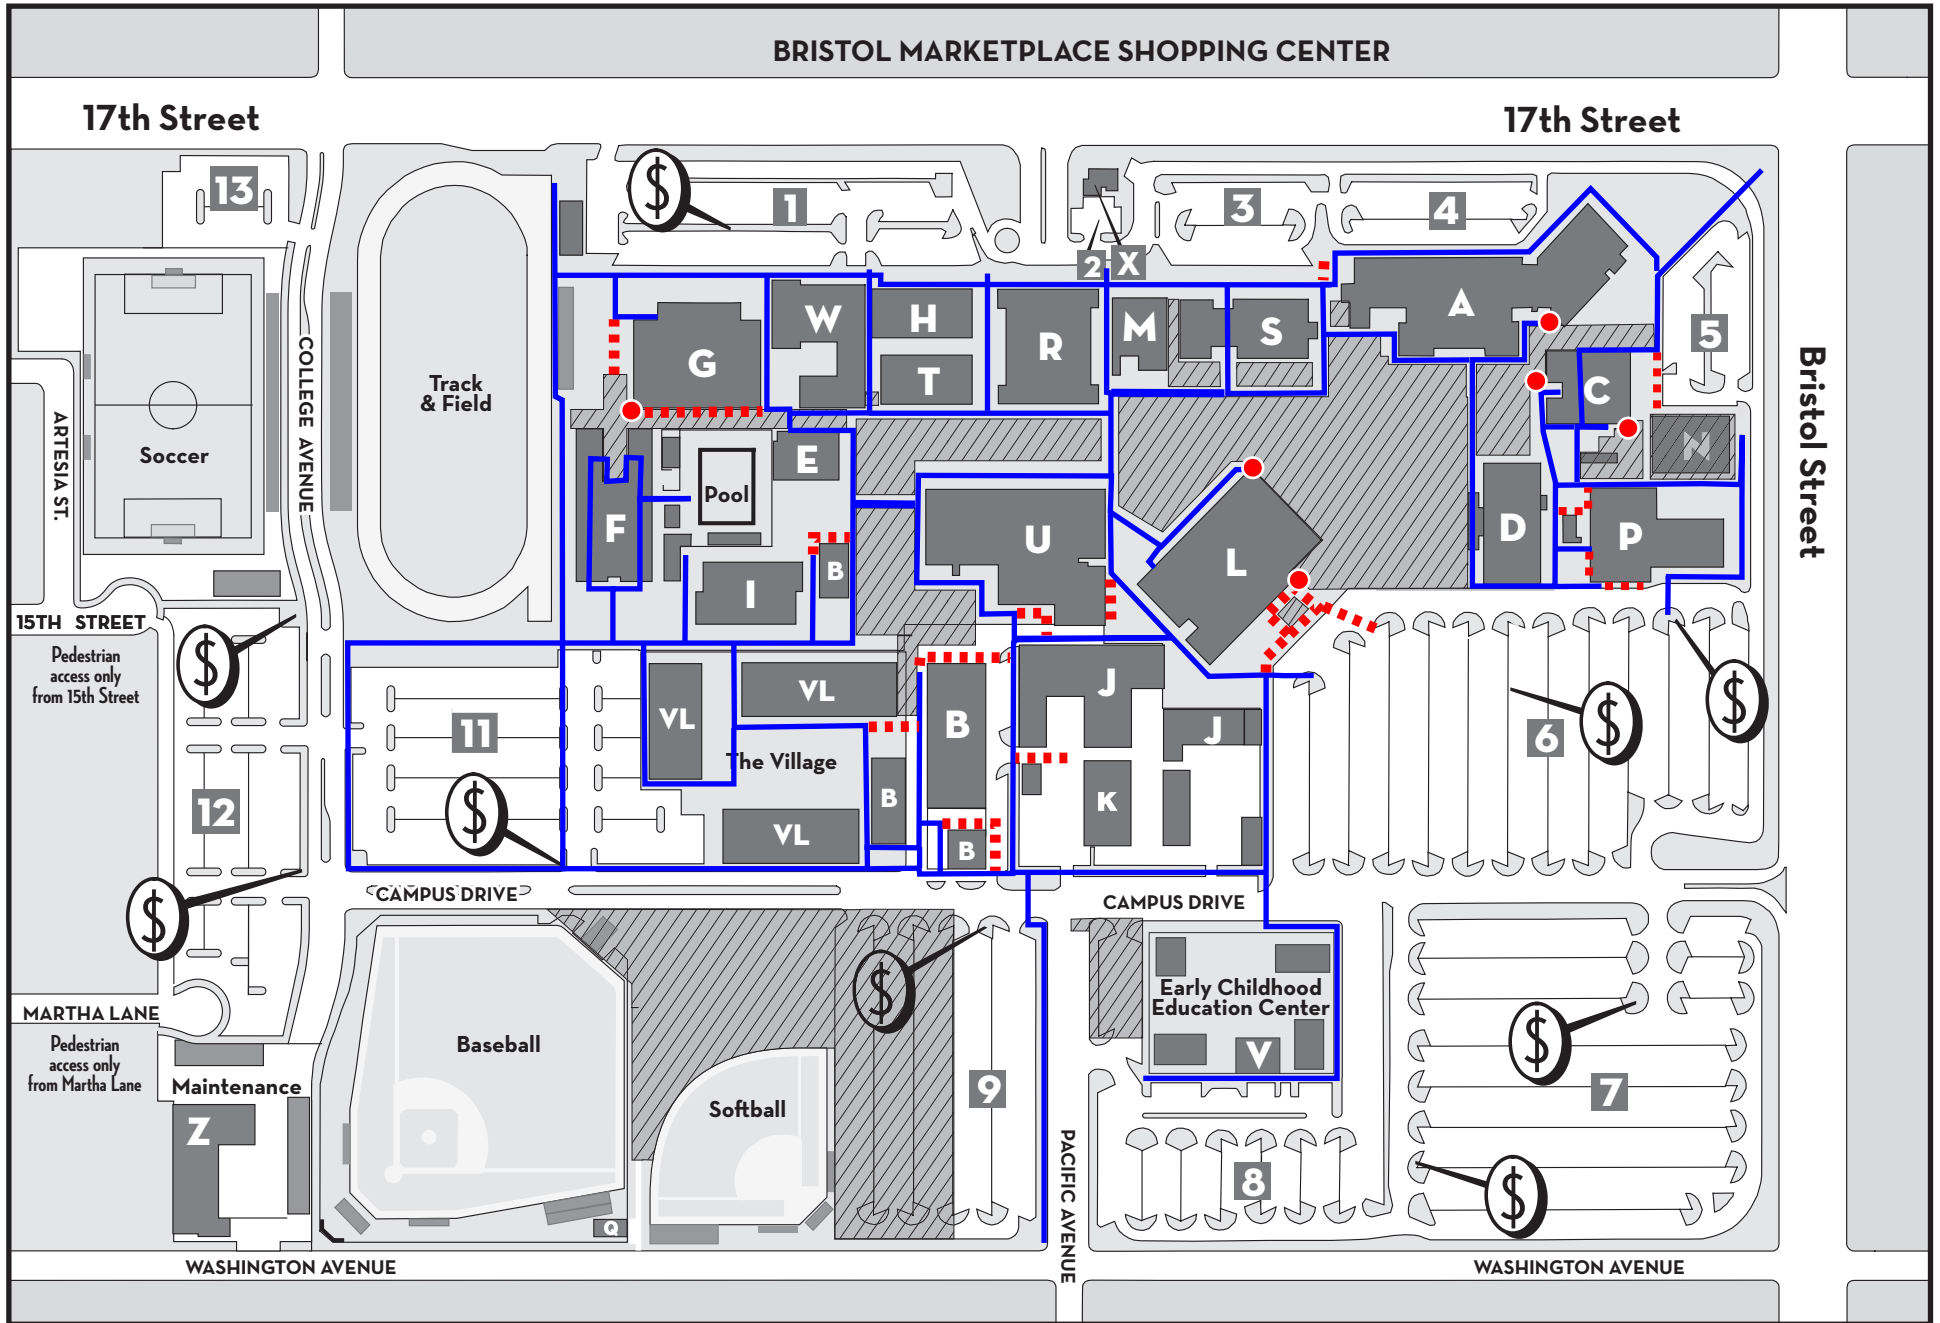

SAC Construction Traffic & Pedestrian Maps have been posted around campus to aid students, staff and visitors navigate through the fenced construction areas. Please be advised that this map will be updated and reposted to reflect any major fencing changes as construction progresses.

Construction in Phase 6 has also begun and will continue through Summer 2017. Anticipate increased construction traffic, elevated equipment noise and additional temporary walkways and access points.
