

CONSTRUCTION ALERT

Date: September 7, 2017

What: Asphalt Paving

When: 9/8/17 through 10/6/17

Where: Santa Ana College – Building K, Welding-Service Alley

Work Hours: 6:00 a.m. – 3:00 p.m. (Subject to change based on unforeseen conditions or weather conditions and will be coordinated as needed with the campus)

Activities:

On day one, the contractor will remove existing damaged asphalt in need of repair and dispose of debris. On the same day, the contractor will grade, compact and re-pave an area of approximately 1,400 square feet with six inches of hot new asphalt that will be rolled and compacted. After 30 days, the contractor will return to clean the newly paved area and apply sealcoat material to the newly re-paved area (see image below). The area will be restricted for contractor use only.

If you have, any questions regarding this work please contact June Pena (FacilitiesPE@rscdd.edu) or Allison Coburn (Coburn_Allison@rscdd.edu).
