

## NBC Learn Videos

In Bb 9.1 we have the inclusion of NBC Learn videos! These are **fully transcribed and captioned videos** which can be easily added into your course. They are a great way to garner student interest, solidify knowledge and give an added dimension to your course. You might even find a “guest lecturer” that you’d like to bring into your classroom through the videos!

### Adding the NBC Learn Videos

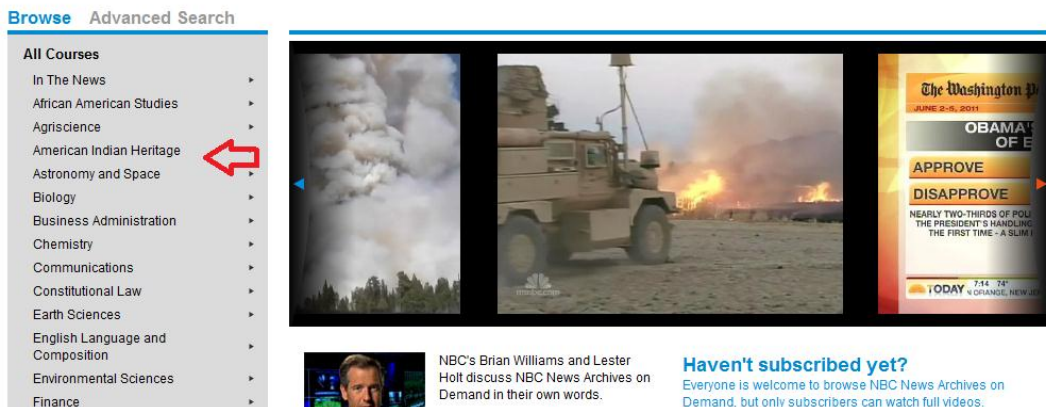

1. Click the course menu link that you would like for video placement
2. Select **“Build Content”**
3. Select **NBC Content”**

4. From the NBC Learn link you can find pertinent videos by:
  - Searching the Archives
  - Browsing by Category
  - Using the Advanced Search by keywords and event dates or air/publish dates

Welcome to NBC Learn!  
A multi-media resource for Blackboard Higher Ed. users

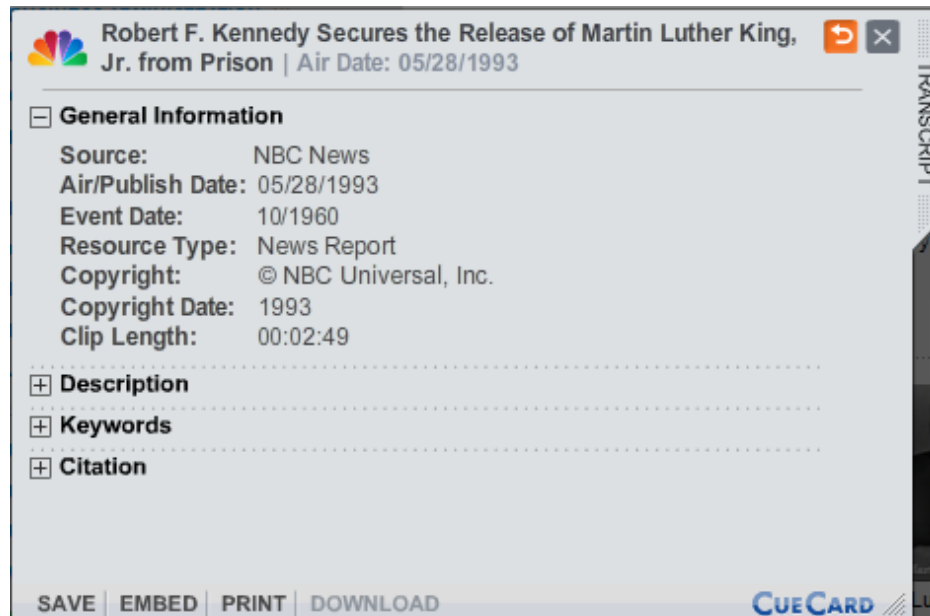

5. Click on a video to preview

- Click “Transcript” to view the entire video transcription
- Click “CC” to view the captioning
- Click to turn the “Cue Card” around

- The “back” of the Cue Card provides General Information, Video Description, Keywords and Citation Information

6. Click “Embed” to easily add in the NBC video into your Bb course!
