Advising Notes

CSU-GE "Certification" refers to the official notification provided by Santa Ana College that a student transferring to any CSU campus has completed courses fulfilling CSU lower-division general education requirements. Without certification students will be held to the general education requirements specific to the CSU campus to which they transfer. Students fully certified in CSU-GE are also qualified to receive a SAC Certificate of Achievement in CSU-GE.

Courses from other California Community Colleges or CSU campuses will be applied to the same GE area for which they were approved at the college where they were completed. Courses from other regionally accredited colleges and universities (which do not maintain a CSU-GE certification list) may also be considered for inclusion. Please see your counselor for additional information. Courses completed at foreign institutions (without U.S. regional accreditation) are not acceptable. College credit earned through Advanced Placement, International Baccalaureate, or CLEP examinations may be used to meet requirements. See the current SAC catalog for policies.

IMPORTANT NOTE: Almost all CSU campuses require the "Golden Four" (requirements in categories A1, A2, A3, and B4) be completed the semester before the start of the upcoming term. For fall semester/quarter transfer, students must complete golden four courses by the end of the prior spring term. For spring semester transfer, students must complete golden four courses by the end of the prior summer term. (Exceptions exist for Chico, Fresno, San Francisco and Sonoma for spring semester transfer, and for East Bay and San Bernardino for spring quarter transfer. Exceptions are subject to change. Cal Poly SLO is open only for fall transfer.) **It is the student's responsibility to request certification by submitting a certification/certificate of achievement petition to the Admissions and Records Office prior to established deadlines.**
