Canvas Log In

Use [WebAdvisor](#) User ID and Password to log into Canvas. If you receive a log in error, log into WebAdvisor. If you are able to log into Web Advisor, try resetting your password. Wait 15 minutes then try logging into Canvas again with the new password. If you are not able to log into Web Advisor, use the "What is my User ID?" and/or "What is My Password?" follow Reset Password (WebAdvisor) down below.

Note: Three (3) unsuccessful log in attempts will lock your account for 15 minutes. Accounts will automatically unlock 15 minutes after the last log in attempt. Do not attempt a log in on any College application (e.g. Web Advisor, Canvas, etc.) during the 15 minutes or the account will not unlock.

Reset Password (WebAdvisor)

To reset your password on [WebAdvisor](#) you will:

1. Select "Login"
2. Select "[What's My WebAdvisor Login or Reset My Password](#)"
3. You will enter your last name (if you are registered in school with two last names, use both)
4. Input Social Security **OR** Student ID
5. Select "Retrieve User Name" (this will be your username (ex. **ab12345**))
6. After, you will select "**Reset Your Password**"

Note: after selecting "**reset password**" you will be given a **TEMPORARY PASSWORD** (ex. **Feb191997**)

7. Log in to WebAdvisor and create your new password

Note: Your new password must contain a capital letter, lower case letter, and a number. NO special characters are allowed (\$, %, @, etc.) and you cannot add your name, last name or birthday. Remember, password **MUST** contain 8 characters.

Student Email

In order to gain access to your student email, you must:

1. Log in to office.com.
