Microsoft & Adobe Industry Certification

MOS and ACA certifications are industry-recognized credentials that validate proficiency in technical skills using software applications.

All BA Microsoft Office and Adobe courses are exam preparation classes which include practice tests that can be taken on your computer off-campus or in the SAC ACC computer lab. The exams are proctored at SAC. Each exam has approximately 50 project-based tasks to be completed within 50 minutes. You only need 70% to pass!

Learn technical skills for a job and earn certifications at the same time!

Nondiscrimination Policy

The Rancho Santiago Community College District is committed to equal opportunity in educational programs, employment, and all access to institutional programs and activities. The District, and each individual who represents the District, shall provide access to its services, classes, and programs without regard to national origin, religion, age, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The Chancellor shall establish administrative procedures that ensure all members of the college community can present complaints regarding alleged violations of this policy and have their complaints heard in accordance with the Title 5 regulations and those of other agencies that administer state and federal laws regarding nondiscrimination.

No District funds shall ever be used for membership, or for any participation involving financial payment or contribution on behalf of the District or any individual employed by or associated with it, to any private organization whose membership practices are discriminatory on the basis of national origin, religion, age, gender, gender identity, gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or because of his or her association with a person or group with one or more of these actual or perceived characteristics.

Inquiries regarding compliance and/or grievance procedures may be directed to District’s Title IX Officer and/or Section 504/ADA Coordinator, 2323 N. Broadway, Santa Ana, CA 92706, 714-480-7490.
The Microsoft Office Professional programs provide technical skills training in Microsoft Office applications based on current business standards. Learning proper techniques and all the features in the apps will enhance professional business projects, improve business communication, and increase productivity.

Professional technical skills training, the SAC certificate and degree, and the Microsoft Office Specialist industry credentials will prepare students for business careers. Students will gain employment skills for any position in any department for any company, from small offices to large corporations. Take classes for professional training and earn certifications for your résumé at the same time! Students will also learn Adobe Acrobat Pro to work with PDF documents created from Microsoft Office apps. The BA 163 Acrobat Pro class includes how to edit, sign, secure, and create fillable form PDF files.
