

Ro Health Is Looking For A Certified Occupational Therapy Assistant/COTA

We aren't your average staffing company. At Ro Health you get **benefits** as part of our team, which include health, dental, vision, PTO, a profit sharing program and more. That's because we know your life and **lifestyle** are important to you, and we work with you to find a job that fits your **career goals** and your lifestyle. We offer the best benefits and pay in the industry, but we also believe in reaching out to you to make sure you are comfortable and happy. Check us out of Facebook or any of the major social media sites for updates on news, events, and free and low cost tools for OTs.

Our Staffing Consultants work for you. They consult with you on your career goals and the best ways to reach your **dream job**. We also offer positions that **help you get there**, and assist you in taking the next step. Whether it be a promotion, or moving into a part time position so you can spend more time with your family, travel, or focus on education, we're here to help.
