Career Opportunities: Build Experience As You Earn Income

AXIANTA Financial Partners Inc. (“AFP”) offers many opportunities for new people wishing to start a career in the financial services industry. If you are entrepreneurial and looking for an opportunity to build a business that you can own while receiving quality development, this is the opportunity for you.

We are looking for proven leaders who know how to build and support a team while achieving their own personal and financial goals. If that is you, we’d love to talk.

Product Diversification

We have been selected to represent over 120 companies’ products and services, providing you an opportunity to learn a wide array of products; you’ll always know that you are offering products that align with your client’s needs.

Training

Our firm focuses on three types of training: classroom product and sales training, field training and boot camp training for those who meet minimum criteria. Our unique match up capability is the best in the business.

Marketing Services

AFP hosts a variety of seminars supported by local leadership, money managers, and AFP executives that include approved presentations, advertising and marketing materials.

Comprehensive Client Solutions

Our affiliated companies give you access to a full range of solutions in nearly every sector of financial services.

Leadership Development and Mentoring Programs

AFP has some of the most dynamic leaders in the industry, who are ready

to offer you a hand to become the best that you can be.

If you would like to invest your time in our unique business development program, contact Dawn Paduganan via email to join our upcoming company overview in Newport Beach, learn about our new office opening in Irvine and schedule a tour of our headquarters in Woodland Hills and participate in a company overview session.
