

OCCUPATIONAL THERAPY ASSISTANT CALIFORNIA POSITIONS

Burger Rehabilitation Systems, Inc. is a therapist owned and operated company celebrating clinical excellence and client service since 1978! Burger provides Physical, Occupational and Speech Therapy services to Acute and Skilled Nursing Hospitals, Home Health Agencies, Senior Residential Communities, Schools and Employer-owned and operated Occupational Health Clinics.

Burger has per-diem and part-time positions available in Southern California to include Victorville, El Monte, City of Industry and Santa Monica; in Northern California we have a full-time position available in Placerville. Our full-benefit package can include dental, vision and, in some cases, **ZERO** premiums for health insurance! The hourly wage ranges from \$25/hour to \$40/hour.*

Burger Rehabilitation proudly acknowledges we are in business to provide rehabilitation expertise and valued service in the lives of our families, patients and communities at large!
