

'Ohana Occupational Therapy, LLC

1139 N. Princeton Ave. Suite B.

Wenatchee, WA 98801

Do you know a Certified Occupational Therapy Assistant (COTA) who's passionate about making a real difference in kids' lives and interested in learning about sensory integration? We've got an opportunity that could be a game-changer for them!

At 'Ohana Occupational Therapy in the beautiful Pacific Northwest, we're launching a [**two-year paid COTA residency program**](#). This isn't just any residency—it's a chance to get paid while learning in our state-of-the-art pediatric clinic.

Here's what makes this residency stand out:

- **Intensive hands-on training** in sensory integration disorder and primitive reflexes.
- **Earn while they learn** that shows we value their dedication.
- **A relocation stipend** to help them make the move with ease.
- **A supportive team** ready to guide them every step of the way.

This program will equip COTAs with the skills they need to impact children's lives. We see amazing results in our clinic every day, and we'd love to help more COTAs experience the same!
