

## Hollywood Hands Therapy

### Job description

#### Position Summary

We are seeking an experienced Individual to join our Certified Hand Therapy Clinic. The ideal candidate will have a strong background in manual therapy and therapeutic activities for patients with developmental, physical, and emotional impairments. This is a full-time position in an outpatient professional setting specializing in hand-related injuries.

#### Responsibilities

Evaluate and assess patients to develop customized therapy programs aimed at restoring maximum function and minimizing disability following disease, injury, or congenital conditions.

Prepare treatment equipment and supplies as needed for each session.

Provide manual therapy, therapeutic activities, and instruction in adaptive techniques.

Create and fabricate custom splints to support upper extremity rehabilitation.

Document patient progress and maintain accurate clinical records.

Perform clerical duties to support daily clinic operations.

Operate in accordance with physician orders and under the supervision of an Occupational Therapist.

#### Qualifications

Current licensure to practice occupational therapy (as required by state regulations).

Familiarity with standard concepts, practices, and procedures within a hand rehabilitation clinic.

Strong knowledge of upper extremity anatomy and conditions.

Splinting experience with the creativity and skill to fabricate custom-fit splints.

Excellent judgment and critical thinking skills to plan and accomplish therapeutic goals.

Ability to work effectively as part of a multidisciplinary team.

Experience working in hand therapy is preferred but not required—we will provide training for the right candidate who is motivated to learn and grow in this specialty area.
