Pharmacy Technology Program

Name	
Email	
Date/Phone	

Pre-Enrollment is available for Spring 2015 and Intersession 2015. If interested, be sure to apply to the college (if you are not already a student). Then, email the department chair to reserve your enrollment at huynh-dang.kc@sac.edu. Deadline for pre-enrollment is 12/1/2014.

What is your ACADEMIC GO	AL in the Pharmacy Technology program?	Indicate when you plan to complete the BASIC certificate.	lf
you also plan to complete the	ADVANCED certificate and/or the ASSOCIATE	DEGREE, indicate <u>when</u> you plan to complete those.	
Basic certificate	Advanced certificate	Associate degree	
Describe your future plans a	s they relate to your EMPLOYMENT as a ph	armacy technician.	

A. Describe what you plan to be doing in pharmacy **three years** from now.

B. Describe your **ultimate goal(s)** in pharmacy.

Discuss any other PERSONAL GOALS that you have set for yourself, including those that Santa Ana college can help you to meet:

A. NOTE: Background clearance and drug test are required prior to taking lab classes. The California Board of Pharmacy will not grant licenses to students with criminal background or illicit drug use. Such students are discouraged from enrolling in the program.
