College Course Title Criminal Justice Course #: 101	HS/ROP Course Title Criminal Justice #691143 & Criminal Procedures #692143 Course #
General Course Description Criminal Justice: A survey of the philosophy and history of criminal justice system (law enforcement, courts, corrections); processes of justice from detection of crime to parole; evaluation of modern criminal justice delivery systems.	General Course Description Criminal Justice: Criminal Justice: Students will investigate the qualifications and requirements for various law enforcement occupations and learn the nature, history and philosophy of law enforcement. Other content area skills include constitutional law, policing issues and trends, court systems and general aspects of law enforcement. Participants will study investigative techniques and solve a crime scene using a forensics team approach. Essential employability skills include personal, interpersonal and communication skills plus units on career development and employment literacy. Criminal Procedures/CSI: This course focuses on the criminal justice system and law in America. Instruction includes police, law enforcement processes and procedures as well as the court system, trials and corrections. Students will study the elements of crime scene investigation and employ those techniques and tools to solve a crime scene. Participants will learn the qualifications and requirements needed for occupations in the criminal justice system.
College Units: 3 units/48 hours lecture per semester	HS/ROP Hours: Criminal Justice #691143: 90 hours Criminal Procedures #692143: 90 hours
College Prerequisite(s): None	HS/ROP Prerequisite(s): None
