Dear President:

Attached please find a letter from the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges (ACCJC), signed by Vice President, Susan B. Clifford, on the action taken by the Committee on Substantive Change at its meeting May 7, 2015.

The attached electronic letter serves as your official letter and will not be followed in hard copy.

At this time, the ACCJC is also providing notification of all the May 7, 2015 substantive change actions taken by sending the "Substantive Change Committee Actions" list to the U.S. Department of Education, the relevant state agency, and to programmatic accreditors. The actions list is also being posted on the accjc.org website for access by interested others and members of the public.

Sincerely,
