

SANTA ANA COLLEGE
Economics/Geography Department
Mission Statement

The mission of the Economics/Geography Department is to be a leader and partner in meeting the intellectual, cultural, technological, workforce and economic development needs of our diverse community. The Economics/Geography Department seeks to incorporate micro and macro economic decision-making skills into the daily lives of the students, along with promoting a spatially-influenced local, regional and global perspective of the earth using scientific principles.

ECONOMICS/GEOGRAPHY DEPARTMENT MEETING MINUTES

Meeting Date: May 20, 2013

Attendance: Bill Courter, Gus Montes

1. Status of the SLO Assessment Form for Spring 2013 - The Geography Department has completed the SLO Assessment Form for Spring 2013 and the Economics Department is at 90%, with full completion after Gus Montes' surgery.
2. Status of Equipment - The Geography Department has recently received a new projection screen and the Economics Department has received a new printer courtesy of the Humanities/Social Science Department.
