Subject: College Avenue Now Open!

College Avenue Now Open!

Dear SAC Family...

It's with excitement that I let you know that another one of our campus make over projects has been completed. As of this morning, **Monday, January 14**, the College Avenue entrance off of 17th Street is now open for you to come-and-go on campus. We couldn't have completed this project without your sacrifice, patience and cooperation. For that, I want to say thank you!

By using the College Avenue entrance you will be able to access parking lots 11 and 12 and connect with Campus Drive which leads to staff parking near the Library. You will also be able to monitor the construction of the new soccer field that will begin in the coming month.

In celebration of the College Avenue opening we've created a virtual ribbon cutting which can be viewed by clicking on the video link below. I encourage you to take a sneak peak to see the changes that have taken place.

In closing, I invite you to visit the construction update section of SAC website regularly to stay up to date on future campus improvement projects. You can access the website by visiting www.sac.edu/construction.

Thank you again for your patience!

As ever,

A handwritten signature in black ink, appearing to be "Erlinda".

Notes from the President is an email newsletter distributed to the Santa Ana College administration, faculty and staff. The newsletter features news and notes on event and topics affecting the campus community. If you have a suggestion or comment regarding **Notes from the President** please email us your [feedback](#). We look forward to hearing from you.
