Institution Set Standards January 2015

Welcome Message:

Accreditation is a comprehensive process for evaluating and assuring that the quality of education meets or exceeds standards of good practice. Santa Ana College(SAC) is accredited by the Accrediting Commission for Community and Junior Colleges (ACCJC) of the Western Association of Schools and Colleges (WASC), an institutional accrediting body recognized by the Council on Postsecondary Accreditation and the U.S. Department of Education. It assures the public that SAC meets or exceeds specific standards of quality; makes us eligible to participate in Title IV student financial aid programs; and provides us with self and peer review and encourages us to improve. In addition, institutions rely on accreditation in their decisions to recognize transfer credit.

Accredited by the Western Association of Schools and Colleges
