Welcome To Financial Aid!

Federal School Code: 001284

The Financial Aid Office administers federal and state student aid programs designed to assist students who are unable to meet the cost of education. These programs include the Board of Governors Fee Waiver (BOGW), Cal Grant programs, Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), and the Federal Direct Loan programs (Subsidized and Unsubsidized).

Since the application process can take a number of weeks before funds are available for payment, students are encouraged to complete the Free Application for Federal Student Aid (FAFSA) as soon as possible as of October 1st of the year for the subsequent fall semester. In addition to the FAFSA, applicants for financial aid will be notified if any additional documents are needed to complete their applications.

At the Federal level, we offer the following financial aid programs:

- [Federal Pell Grants](#)
- [Federal Supplemental Educational Opportunity Grants](#)
- [Federal Work-Study](#)

Please note:

- The Financial Aid Office is currently closed to students except by appointment. Please contact the Financial Aid Office via Live Chat or Email to make an on-campus appointment.
- Dropping classes may result in financial aid students being required to repay some or all financial aid. Dropping classes will also lower students course completion rate which may affect future financial aid eligibility. Check with the financial aid office regarding your financial aid before dropping.
