DISCOVER VOICE-OVER

Voice-overs are hot today! You don't have to be an actor to get voice-over work, but it certainly doesn't hurt! With such notable talent as James Earl Jones, Linda Hunt, and Donald Sutherland lending their voices to commercials, films, and videos, one would think that it would be next to impossible to break into this field. Not so! In this class, you'll learn about an exciting new way to get around the competition and turn voice-overs into a thriving full or part-time business! Anne Ganguzza will introduce students to the voice-over business as a whole. She will talk about the numerous opportunities, discuss voice-over technique, the income potential, and the all-important demo, and how to have it produced. You'll step up to the microphone to do some practice recording, and best of all, hear the results!

## MONEY MATTERS & INVESTMENTS

### ESTATE PLANNING

Estate planning is the process of managing how a person’s assets are transferred to their beneficiaries after they pass away. Estate plans can also help people manage their lives while still alive. This class will cover the basics of the principles of estate planning. With these fundamentals, the course will then examine basic estate planning and wealth transfer techniques, including wills, various types of trusts, health directives, and the usage of power attorney titling property, gifts during a lifetime, charitable vehicles, handling closely held businesses, and valuation matters—with an emphasis on how to use these tools in planning an estate to meet the objectives of a couple or individual. Probate of an estate, administration of trusts, durable power of attorneys, conservatorships, and planning for other life situations will be explored. This class will cover different types of trust, health directives, and power of attorney.
