			The April 14, 2015 Planning and Budget minutes were presented for approval.		<u>ACTION</u> Motion was moved by B. Brennan to approve the April 14, 2015 Planning & Budget Committee minutes. 2 nd – J. Nguyen Minutes were unanimously approved.
4. BUDGET UPDATE			DISCUSSION/ COMMENTS		ACTIONS/ FOLLOW UPS
			State: <ul style="list-style-type: none"> With collections to date running about 16% above the daily forecast level, the state could be on track to exceed the April forecast by \$2 billion if these trends continue. Also recall that coming into April, the state was already ahead of the forecast by \$1.3 billion through March 2015. An upward revision of current year revenues exceeding \$3 billion now seems possible. We expect the May Revision (May 14) to be positive, but likely very complicated this year. More money means more choices.

	<ul style="list-style-type: none"> • The statutory cost-of-living adjustment (COLA) has now been determined for 2015-16 and it will be 1.02%. The U.S. Department of Commerce released the latest quarterly data for the Implicit Price Deflator for state and local government purchases of goods and services. This data allows for the determination of the 2015-16 statutory COLA, which is calculated by comparing the change in this index over the most recent four quarters to the previous four quarters. <p>District:</p> <ul style="list-style-type: none"> • No real new news. Gratitude and appreciation was shown to ASG representative Briana Brennan for her outstanding dedication and participation on the committee.

Members were advised that the June 2 meeting will more than likely not be held unless there is a significant change to what has been reported to the SAC Planning and Budget committee. It was noted that after the May Revise, Dr. Collins will also send out a campus-wide communication.
