

CONSTRUCTION ALERT

Date: August 17, 2018

What: Temporary Gas Shut-Down to Bldg. L

When: August 21, 2018

Where: Santa Ana College –Science Center Project

Work Hours: 6:00am – 1:00pm

Activities:

On Tuesday August 21st, 2018 there will be a brief gas service shut-down to Building L. This shut-down should only affect the hot water in the Building L. This is required to tie-in the gas service to the future Science Center and Greenhouse Buildings. All work will occur inside the Science Center project boundaries, and will not affect any campus operations with the exception of the hot water at Bldg. L. The gas should be returned to Building L by mid-day (approx. 1:00pm).

If you have any concerns or questions, please contact Rudy Delgadillo at (714) 338-2018 (office), (818) 294-5496 (cell), or via email at rdelgadillo@bernards.com
