

CONSTRUCTION ALERT

- Date:** March 8, 2019
- What:** Generator Installation at New Science Center
- When:** March 15, 2019
- Where:** Santa Ana College – Science Center Project
- Work Hours:** 7:00am – 2:00pm

Activities:

On Friday, March 15, 2019, the emergency generator will be installed at the new Science Center Building. To facilitate this installation, a portion of the westbound lane of Campus Drive will be closed from approximately 7:00am to 2:00pm (see attached map). All required signage and cones will be in place to ensure pedestrians and vehicles are able to safely travel through this area. Vehicles will be able to use the eastbound lane to travel in both directions.

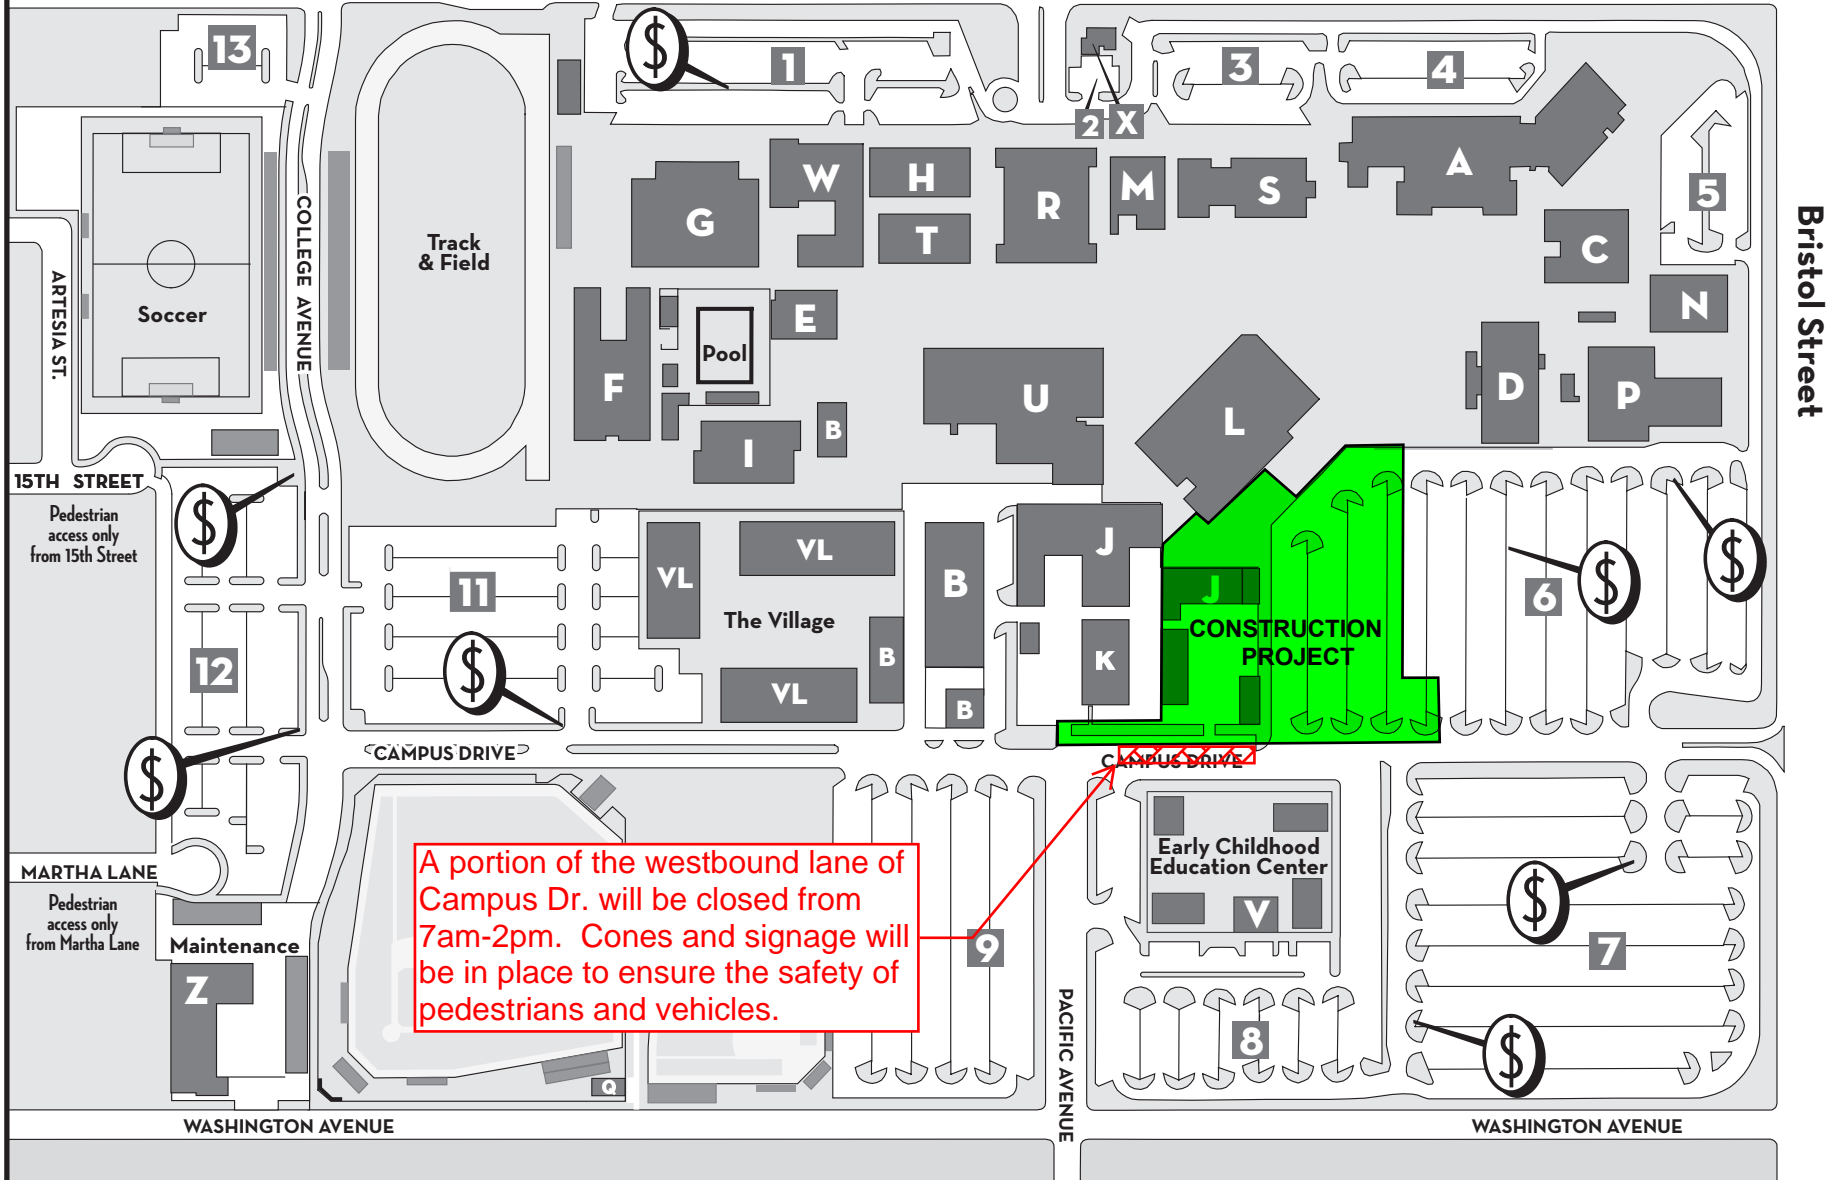

If you have any concerns or questions, please contact Rudy Delgadillo at (714) 338-2018 (office), (818) 294-5496 (cell), or via email at rdelgadillo@bernards.com.
