CLASSIFIED & FACULTY

Welcome to the first joint Classified & Faculty Awards for Excellence Program! Our staff and faculty stand strong and united working together and building educational bridges for our students and community.

Today, classified and faculty alike recognize colleagues who reflect the true essence of leadership, collaboration, dedication, positive attitude, and professionalism. We congratulate all those who were nominated, completed associated processes, and were chosen by their peers to reflect the best qualities of the multiple award categories. Everyone is a winner and we salute you for a job well done.

We extend a special appreciation to the Santa Ana College Foundation Board of Directors for its generous contribution to this important program for our employees. We also thank Auxiliary Services, Don Bookstore, Media Productions, Graphic Design, Human Resources, Public Affairs, and Classified and Faculty Awards Committees for their insight and support of this event.

This year the classified and faculty booklet has “gone green” to preserve resources and our environment. You may view biographies and photos of our classified and faculty winners by linking to www.sac.edu: Classified & Faculty Awards.

Thank you for joining in this special celebration!
