Steering Committee Meeting

MINUTES

June 21, 2018

1:30 – 3:00pm

S-215

“Santa Ana College inspires, transforms, and empowers a diverse community of learners”

- I. Welcome and GP Update – F. Ortiz (5 minutes) - Guided Pathways Demystified II handout is available on the SAC Guided Pathways website in order to review.
- II. Research Presentation – K. Kawa (5 minutes) - Degree Program Switches and Time to Degree – Findings showed that about 9% students maintain the same program from beginning to end, 75% switch their program once, 15% change twice. As number of program switches increase, so does the number of years to graduate. Liberal Arts, CJ, and Business Administration were the Top 3 Programs at Entry, Liberal Arts, Business Administration, and CJ were the Top 3 Programs at Exit.
- III. Design Team Presentations:
 - A. Academic Clusters
 1. Presentation (30 minutes) – Presentation of Academic Clusters (8) based on Curriculum and class overlap. Summer will focus on surveying student groups on campus. Follow up: Group name suggestions from each Design Group.
 2. Questions/feedback/advice (10 minutes) – Reduce the number of certificates.
 - B. Mapping Curriculum
 1. Presentation (30 minutes) – Updated blank Guided Pathways template. Mapping Curriculum team is going to send out template to all of the Divisions in order to get sequential courses, courses required for majors, pre-requisite courses, etc. Program Mapping must meet the requirements of the Program Mapping Design Principles. Mapping Team will meet every other week in Fall in order to meet with Department Chairs. During Professional Development week, there will be multiple sessions on Guided Pathways and Program Mapping.
 2. Questions/feedback/advice (10 minutes)
- IV. Other:

Update from Dr. Solano – Design Teams will be evolving, other campuses have collapsed/combined Design Teams. Some colleges have formed separate Design Teams related to just technology.
