4. GRADING

Faculty can post grades either individually for each student or for the entire class at once. Once grades are posted, they cannot be edited. However, faculty can log in later to complete grading for any remaining students.

A grading completion notification email will be sent to faculty once grades have been posted for all students in the class. If grading is not fully completed, no notification email will be sent for that class.

Go to the "Grading" tab, then click on "Final Grade" tab.

| Overview | Final Grade |

Choose a grade for each student in the "Final Grade" column, then click the "Post Grade" button.

If you are going to give your student a grade of 'F', you also need to enter a Last Date of Attendance for the student too.

You will see a confirmation pop-up. Click on "Post Grades" to confirm.

If grades are successfully posted, they will no longer be editable and the drop-down will disappear.

ONCE GRADES ARE POSTED, FACULTY CANNOT GO BACK AND CHANGE THEM.

- *If a grade change is needed, go to www.sac.edu/instructorchange to submit a request for a grade change.*
- *A grade change form must be completed to change an "I" grade to a letter grade.*

5. VIEWING POSTED GRADES
