

ANSWERING FREQUENTLY ASKED QUESTIONS: IMMIGRATION ENFORCEMENT ON CAMPUS

| QUESTION | ANSWER |
|---|--|
| <p>What should I do if an Immigration and Customs Enforcement (ICE) agent or Customs and Border Protection (CBP) agent is on campus?</p> | <p>1. Stay Calm: Immediate compliance is not required. Santa Ana College (SAC) has established administrative procedures and policies to follow. Take your time while working through these steps, and do not panic or feel rushed.</p> <p>2. Direct Agents to SAC Campus Safety: Inform the officers that you are not obstructing their process, but that you must refer them to the proper channels for guidance and assistance. Direct the officer to contact SAC Campus Safety at their 24/7 line: (714) 564-6330. You may provide initial details of the ICE or CBP agent's request to SAC Campus Safety.</p> <p>3. Know that Campus Safety Will Document: SAC Campus Safety will notify the President's Office and share documentation of immigration enforcement activities that occur on campus.</p> |
| <p>Will the District Safety & Security Department (DSS), which includes SAC Campus Safety, enforce federal immigration laws?</p> | <p>No. In alignment with the <u>California Values Act (SB 54)</u>, District Policy restricts the involvement of campus security in federal immigration enforcement. This act restricts local law enforcement agencies, including campus safety, from using resources to investigate, interrogate, detain, detect, or arrest individuals for immigration enforcement purposes.</p> |
| <p>Should I first confirm that ICE or CBP are on campus to enforce a warrant?</p> | <p>No. District Safety and Security, which includes SAC Campus Safety, must be notified immediately at (714) 564-6330 if ICE or CBP agents are on any SAC or School of Continuing Education campuses. SAC Campus Safety is responsible for confirming the validity of the warrants served. Do not grant ICE or CBP agents access to any private or limited access areas. Please contact DSS which includes SAC Campus Safety if ICE or CBP agents are spotted near any of SAC's campuses.</p> |
| <p>What is a "private" or "public" area?</p> | <p>Private areas include classes (while they are in session), office spaces that you lock when you leave, kitchens where patrons are not allowed, or behind counters such as the Health Center, and some parts of the Nealley library. SAC employees are required to contact SAC Campus Safety at (714) 564-6330 if there are immigration enforcement agents asking to gain access to private or limited access areas.</p> |
