The Officers shall do their best to solicit and appoint members to the Senate Executive Team in such a way that keeps the Executive Team gender balanced and increase participation from under-represented faculty groups.

Members of the Executive Team are expected to attend weekly Senate Executive Team meeting and participate at those meetings. The purpose of the weekly meeting is to discuss important topics taking place that are relevant to the Senate, to formulate agenda for the next Senate meeting, and to do planning as necessary for future events.

Facilitation training for the Executive Team membership will be required as a matter of professional practice. This training will be offered every fall during flex week activities and on an as-needed basis to meet this committee obligation.

DISTRIBUTION OF SENATE LHE

The faculty union (FARSCCD) negotiates LHE for SAC and SCC Senate. SAC Senate understands that as the larger college, the workload on SAC Senate Executive Team is disproportionately higher than that at SCC (e.g., responsibilities of CIC Chair). As such, SAC Senate will continue advocating with FARSCCD to negotiate more LHE for SAC Senate.

Senate LHE shall be used to compensate for work done on behalf of or related to the business of the Academic Senate.

The executive team will make a recommendation and present an LHE distribution proposal for the following semester no later than April and by December if needed. The final distribution of LHE will be voted on/affirmed by the Senate.

ADVISORY GROUPS

The Academic Senate may establish specialized groups (e.g., task forces, advisory groups, ad hoc committees) as needed. The scope of such groups may be any matter within the

scope of the Academic Senate. In establishing such groups, the Senate may define the scope, authority and communication between the groups and the Senate. Unless otherwise directed by the Senate,

1. Formal guidance and recommendations of such groups will be accepted and implemented.
2. Reports will be made to the Senate,
3. Information of meeting times and location should be notified to the Academic Senate Historian for distribution if needed
4. Documentation of meetings will be provided to the Academic Senate Historian for archiving

Chairs, co-chairs, and membership of such groups will be appointed by the Senate President subject to approval by the Senate.

Participatory Governance

Unless otherwise decided by the Senate, a co-chair of each participatory governance committee (per the current Participatory Governance Handbook) will communicate regularly and meet at least once per semester with the Vice President of Culture and Engagement as well as report, as needed, to the Academic Senate about the committee's work. The Senate may provide further direction regarding the communication between the committee's Senate representatives and the Academic Senate.

Current examples of the Participatory Governance Handbook are:

- Curriculum & Instruction Council
- Technology Advisory Committee
- Planning & Budget Committee
- Facilities & Safety Committee
- Student Equity & Achievement Program Committee
- Professional Development Committee
- Institutional Effectiveness & Assessment Committee
- Enrollment Management Committee
- Guided Pathways Steering Committee

Council: A group of people officially delegated to make decisions, deliberate, or consult on a particular subject, to represent a particular group of people. Councils are created through resolution, generally following the recommendation of the Academic Senate.

Task Force: A temporary grouping of individuals and resources for the accomplishment of a specific objective. A task force actively pursues the achievement of its mission, after which it is disbanded. A task force is a temporary organization created to solve a particular problem. It is a more formal ad-hoc committee. Taskforces can be created by any Senate Executive Officer.

Workgroup: A group of people collaborating on ongoing (more long-term) projects, matters, or issues within a broader scope. Workgroups can be created by any Senate Executive Officer.

SHARED LEADERSHIP

The Academic Senate values the sharing of leadership. Appointments made for chairs/co-chairs vacancies may be partitioned to allow two faculty members to share a leadership role provided the partition of responsibilities is clear at the time of the approval.

Faculty members should not be appointed to serve in multiple chair, co-chair or campus leadership roles simultaneously unless required by virtue of the role.

ASSESSMENTS

Dues

Consistent with Section 13532 of the California Education Code, the Senate may call upon its members for the payment of professional dues which are currently assessed at \$5.00 per month for 10 months or \$50.00 per year. However, professional dues are not to be a condition of or eligibility to membership in the Senate, and no sanctions are to be imposed upon those members who do not pay such professional dues.

Yearly

On the recommendation of the Vice President of Community Operations the Senate, at its last business meeting of the spring semester of the preceding academic year, shall agree upon the amount to be requested in order to meet the budget adopted for the following year. The amount of the fee shall be adopted by a majority vote of those present at the meeting, provided that a quorum is present.

Special

The Senate may levy special assessments at any time, if approved by a two-thirds vote of members present at a regular Senate Business Meeting, provided that a quorum is present and the levy had been proposed at a previous meeting.

MEETINGS

Regular Business Meetings

The Senate shall meet regularly at least once a month during the academic year. It shall keep a systematic record of its proceedings, which shall be accessible to the faculty. A summary of the minutes of both regular business and special meetings shall be made available to the certificated staff and the members of the Board of Trustees.

Special Meetings

The President may call special meetings if in their judgment such special meetings are warranted. Special meetings shall be called by the President upon a written request submitted to the President by twenty-five (25%) of the faculty or by ten percent (10%) of the members of the Senate.

Agenda

The agenda of each regular business meeting and each special meeting shall be made available to members of the faculty, administration, and Board of Trustees of the District by the Historian at least three days prior to the meeting and should contain as much information and detail to allow all faculty to be aware of items to be discussed or acted upon.

Requesting Agenda Items

As Academic Senates are established through an action of the local Board of Trustees in accordance with title 5 §53200, they are subject to the Brown Act. Many of the policies and processes that follow are the result of the Senates obligation to follow a set of policies that became law in 1953.

All faculty have a right and a responsibility to request items be added to the agenda. Any faculty may submit a requested agenda item, including proposed resolutions, to the Historian through the Academic Senate Agenda Item Request form available on the Academic Senate website (sac.edu/academicsenate).

The Executive Team will discuss at its next meeting whether and when to include the item on an agenda, considering such factors as the relevance to academic and professional matters (“10+1”), related work by Participatory Governance committees, preparation, and

availability of meeting time. If the request meets those standards, the Executive Team shall not disallow valid agenda item requests. The Executive Team will provide the date of the planned agenda item to the requestor. If the Executive Team determines they must reject the proposed agenda item, a rationale for rejecting the agenda item must be made to the requestor by email within 48 business hours following the decision.

Topics to be considered for Senate Business meetings can be solicited during the Academic Senate semester retreats. During Academic Senate semester retreats the agenda item submission form will be explained to all attendees. Additional requests can be made during the standing item in Senate Business Meetings called “Future Agenda Item.”

Amending the Meeting Agenda

Amendments to the Senate agenda after the agenda has been shared publicly can occur if a Senator requests an amendment to the agenda 48 hours prior to the next Senate Business meeting by informing the Senate Historian and Senate President of any such requests via the Academic Senate email (AcademicSenate@sac.edu). The amendment request should include the agenda item and rationale supporting the request.

Amendments can also be requested by any Senator following a motion to adopt the agenda. To do this, any Senator can motion to add items, delete items, or change the order of the agenda. Once a Senator motions to amend the agenda, the motion would be voted upon based on bylaws quorum of simple majority, fifty percent (50%) and in accordance with Robert’s Rules of Order.

Action and Discussion on Non-Agenda Items

As the Brown Act was enacted to ensure that public’s business is conducted openly, the statute affords Academic Senate’s limited authority to act on or discuss non-agenda items at regular meeting

As a general rule, the Academic Senate may not act on or discuss any item that does not appear on the agenda posted for a regular meeting. (GOV § 54954.2(a)(3)).

This rule does not, however, prevent the Academic Senate from acting on a non-agenda item that comes to its’ attention after the agenda posting if immediate action is warranted. (GOV § 54954.2(b)(2)).

For this exception to apply, the Senate must publicly identify the item to be addressed and meet any of the conditions below:

1. Determine by a majority vote of the Senators that an emergency situation exists, as defined in Section 54956.5.
 - a. Per Section 54956.5, “emergency situation” means both of the following:

- i. An emergency, which shall be defined as a work stoppage, crippling activity, or other activity that severely impairs public health, safety, or both, as determined by a majority of the members of the legislative body.
 - ii. A dire emergency, which shall be defined as a crippling disaster, mass destruction, terrorist act, or threatened terrorist activity that poses peril so immediate and significant that requiring a legislative body to provide one-hour notice before holding an emergency meeting under this section may endanger the public health, safety, or both, as determined by a majority of the members of the legislative body.
2. Determine by a two-thirds vote of Senators present at the meeting, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there is a need to take immediate action and that the need for action came to the attention of the Senators after the agenda was posted.

Reporting of Agenda Items

All agenda requests will be recorded to include whether the request was approved or not approved. For items not approved, the Senate President must include in their report at the business meeting following any decision the rationale for why the request was not approved. The Historian will provide a report at the last semester meeting to the Senate on agenda item activity.

Attendance

Meetings of the Senate are open to all members of the faculty. The meetings shall be held in accordance with the Brown Act.

Quorum

A simple majority, over fifty percent (50%), of the current voting members of the Senate shall constitute a quorum. If a Senator is unable to attend, the Senator may designate, in writing, any other member of the Senate as Proxy to speak for and to cast votes in that Senator's name. All Proxies must be in the hands of the Historian prior to roll call of any meeting. In no case shall any Senator hold more than one Proxy at any given meeting. Each Senator who expects to be unavailable during the summer shall appoint a Proxy and so notify the Senate in writing to serve in case of special meetings.

Meeting Conduct

Senate meetings shall be conducted in accordance with the Brown Act and Robert's Rules of Order. Members and guests shall conduct themselves professionally during each meeting. Personal attacks on any participant shall be grounds for removal from meetings. As a meeting facilitator, the President or chair of an Academic Senate meeting does not vote but may vote to break a tie when needed.

AFFILIATIONS

The Senate may affiliate by a simple majority vote of the Senate with other educational or professional organizations, local or otherwise, provided that such affiliation does in no manner restrict or infringe upon the independence of the Senate.

BYLAWS

These bylaws shall be reviewed annually and amended as determined necessary by the Senate and then adopted by a simple majority of the voting members present at the last Senate meeting of each academic year and at other regular Senate meetings as needed.
