

# Updated Nealley Library Mission Statement

Our mission at Nealley Library is to support student success and our diverse Santa Ana College community through inclusive and equitable access to resources, services, and spaces that promote academic and intellectual freedom, information literacy, lifelong learning, and a culture of belonging.

# Current Library Mission Statement

The mission of the Santa Ana College Nealley Library is to promote educational success, information competency and lifelong learning through the implementation of quality programs, services and equitable access to current and relevant sources.
