**Passed:** November 5, 1991

**Date:** November 5, 1991  
**Subject:** Parking  
**Mover:** Rick Manzano  
**Seconder:** Janis Perry

**Whereas,** the Academic Senate, after consulting with FARSCCD, recognizes that parking fees are a matter of bargaining, however, the Senate is concerned with other issues of parking as they relate to academic and professional matters, and

**Whereas,** the apparent lack of parking spaces directly impacts the faculty's ability to meet their students, classes and other duties in a punctual manner;

**Be it resolved as follows:** That the Academic Senate for Rancho Santiago College requests that the Board of Trustees for Rancho Santiago Community College District direct its staff to do the following:

1. Publicly identify the "official" Transportation Coordinator and his/her advisory committee membership, and allow for faculty input and shared decision-making regarding interpretation of AQMD Regulations and Definitions of "preferred parking" spaces.
2. Re-define "preferred parking" to reflect minimum AQMD Regulations which requires car pooling spaces to be designated from 6:00 a.m. to 10:00 a.m., rather than the current 6:00 a.m. to 5:00 p.m.
3. Reinstate the option for extended Visitor Parking Lot privileges to faculty who cannot find an empty space elsewhere who must park to meet their classes or other duties in a punctual manner.
