Resolution: F92.01 **Passed:** August 20, 1992
Continuing Education FT/PT Ratio Implementation

Date: August 20, 1992
Subject: Continuing Education FT/PT Ratio Implementation
Mover: Lem Bonilla
Seconder: Justo Frutos

Whereas, the Academic Senate for California Community Colleges officially opposes the use of part-time teachers in lieu of full-time contract teachers when the prime consideration is financial savings to the District instead of the delivery of quality educational services;

Whereas, Rancho Santiago College has made a strong commitment to increase the ratio of part-time to full-time instructors in Continuing Education to accomplish the goals of Rancho Santiago College for all residents of the District;

Whereas, the Continuing Education faculty has become increasingly concerned that despite this policy the burden on current full-time instructors has continued to increase and the number of full-time instructors has decreased.

Be it resolved as follows: That the Academic Senate for Rancho Santiago College insist that the Chancellor and the Board of Trustees recommend positive actions be taken to adhere to the stated commitment, and

Be it further resolved as follows: That a task force be established to develop plans to monitor implementation of these stated commitments to increase the ratio.

(A mover and seconder must be a Senator or member of the Executive Committee of Rancho Santiago College Academic Senate.)
