Resolution: F92.12
Reallocation of LHE

Passed: September 15, 1992

Date: September 15, 1992
Subject: Reallocation of LHE
Mover: Brian Kehlenbach
Seconder: Terry Bales

Be it resolved as follows: That the Academic Senate for Rancho Santiago College directs the Academic Senate President to reinforce to the Chancellor that budget processes, including budget cuts and reallocation of LHE, be channeled through the existing Shared Governance structure (i.e., the Budget Committee of the Finance and Planning Council), and

Be it further resolved as follows: That this process for LHE reallocation not be initiated with a single-minded focus on cutting from particular departments, but rather, with an equitable District-wide approach, in which no single academic department is treated with a pre-ordained negative bias, and

Be it further resolved as follows: That the LHE which has been removed from the Fine and Performing Arts Division and the Physical Education Division be restored until such time as a comprehensive LHE reallocation process is followed.
