Relocation of Academic Senate Office Space

Date: November 3, 1992
Subject: Relocation of Academic Senate Office Space
Mover: Gloria Guzman
Seconder: Irene Malmgren

Whereas, the Academic Senate is a significant and integral entity within the academic and governance structure of Rancho Santiago College;

Whereas, the Academic Senate needs to be physically located such that collegial consultation is enhanced;

Whereas, the Academic Senate has consistently requested both formally and informally to be housed in a permanent, centrally located, appropriately situated office;

Whereas, the Academic Senate has the responsibility of representing all District faculty and must be accessible in order to perform as the effective voice of the faculty;

Whereas, a strengthened and stable Academic Senate promotes the overall academic integrity of our educational programs and services and consequently student success.

Be it therefore resolved as follows: That the Academic Senate be assigned an office near the District Chancellor's office.
