**Resolution:** F98.02  
Professional Training

**Passed:** November 17, 1998

**Date:** October 20, 1998  
**Subject:** Professional Training  
**Mover:** Phil Garnett  
**Seconder:** Richard Keller

**Whereas,** Santa Ana College's need for professional training to acquire or update professional skills in such areas as distance education, cooperative learning, and performance based teaching standards is greater than ever;

**Whereas,** AB1725 State Staff Development Grant funds may not be used for required training to maintain current or future work expectations, or to attend required meetings;

**Whereas,** the intent of the AB1725 State Grant was to augment existing District professional development funds, not to supplant them;

**Be it resolved as follows:** The President of Santa Ana College should reinstate specifically designated conference funds for division faculty, and energetically support this need to the proper District planning and budgetary authority.
