Resolution: F01.01
Voice Mail for Adjunct Faculty

Passed: October 2, 2001

Date: October 2, 2001
Subject: Voice Mail for Adjunct Faculty
Mover:
Seconder:

Whereas, the planning agenda of Standard Two of the Santa Ana College Self-Study has recognized the need to disseminate information to adjunct faculty;

Whereas, there is not an effective means of communicating with our adjunct faculty in that they do not have college-based email;

Whereas, adjoining districts do provide email to adjunct faculty;

Whereas, it is important for all faculty to be able to communicate with students, and most faculty surveyed indicated that students increasingly communicate via email regarding classroom assignments;

Whereas, in light of the recent terrorist activities, the college administration was unable to communicate effectively with adjunct faculty to inform them of the status of holding classes.

Be it resolved as follows: The Academic Senate representatives on SACTAC, President's Council, Board of Trustees, Chancellor's Council and the District Technology Committee advocate for an immediate implementation of adjunct faculty email.
