Resolution: F04.02
Campus Facilities Committee

Passed: December 7, 2004

Date: December 7, 2004
Subject: Campus Facilities Committee
Mover: Catherine Emley
Seconded: Dan Goldmann

Whereas, Santa Ana College is engaged in the “Splash and Sparkle” Campaign of implementing cosmetic changes to visually enhance campus and there now exist the fiscal resources to mobilize this endeavor;

Whereas, there exists a Campus Facilities Committee with faculty representation from each division to voice credible opinions about the long term benefits of these classrooms, building and campus upgrades and improvements;

Whereas, there is a current debate about the efficacy and efficiency of carpeting classrooms versus the long term, cost effective, stain resistive, low maintenance option of hard surface flooring.

Be it therefore resolved as follows: That the Santa Ana College Academic Senate continue to support the faculty representing the divisions on the Campus Facilities Committee to implement those upgrades that are most desired at the division level.
