

Support the Creation of Child Development – Apprenticeship Program

Resolution SP23-03 5.8.2023

Moved:

Seconded:

Whereas, Santa Ana College Human Services and Technology Division has approved programs and courses under the Child Development (CDEV) and Education Studies (EDUC) codes;

Whereas, the Human Services and Technology Division’s Child Development and Education Studies department was awarded the California Apprenticeship Initiative – Implementation Grant to create a Child Development Apprenticeship program to begin in Fall 2023; and

Whereas, the Human Services and Technology's Child Development and Education Studies department faculty and the Curriculum and Instruction Council agree with the creation of a Child Development Apprenticeship program;

Resolved, The Academic Senate of Santa Ana College supports the creation of the Child Development Apprenticeship program (APCD) within the department effective immediately; and

Resolved, The Academic Senate of Santa Ana College urges college administration to take the necessary actions to complete the formation of this new program, Child Development Apprenticeship program (APCD).
