

California Commission on Teacher Credentialing

~ Achieving the California Child Development Permit ~

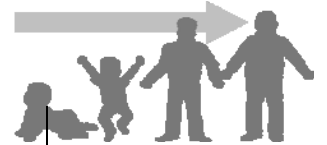

Santa Ana College, Department of Child Development & Education Studies

<i>Note: See bottom of form for advisement details and important footnotes regarding permit details.</i>			Required by the CA Commission on Teaching Credentials: Levels of Child Development Permit					Required by Licensing: Title 22
COURSES & DETAILS FOR LEVELS OF PERMIT			Associate Teacher	Teacher	Master Teacher	Site Supervisor	Director	Community Care Licensing requires only 12 units of an early childhood educator. At SAC, we want you to complete a permit and degree so that you earn a position offering you a quality worthy wage and good benefits, and so that you can offer children a quality teacher.
First, Let's Review the Experience Requirement for Each of the Permit Levels Note: There are 52 weeks in a year so if you did 3 hrs per day, once a week, then 50 days would take about 1 year! So begin volunteering and/or working as soon as possible to gain your experience.			50 days of 3+ hours per day within 2 years	175 days of 3+ hours per day within 4 years	350 days of 3+ hours per day within 4 years	350 days of 3+ hours per day within 4 years Including 100 days of supervising adults	Site Supervisor status level, plus 1 program year of Site Supervisor Experience	
Second, Let's Review the Educational Requirements for Each of the Permit Levels ↓ ↓ ↓ ↓ ↓ ↓ (review the 6 stages below)			Complete Stage 1	Complete Stages 1, 2, and 3	Complete Stages 1, 2, 3, 4, and 5	Complete Stages 1, 2, 3, 4, 5, and 6	Complete Stages 1, 2, 3, 4, 5, and 6

¹ CDEV 108A – Observation and Assessment in Early Childhood is a prerequisite to CDEV 111A and CDEV 111B. Our department is responsible for preparing you to be an intentional and quality educator. We feel it is necessary that you have every opportunity to observe young children and early childhood programs before you lead your own classroom.
